Annie Cat Your Gun

2015 Red Roan Mare

Notes: This stunning roan mare is very athletic and quick footed. She is extremely intelligent and learns quickly. She has been started by Zane Haverty and the Haverty Ranch colt program and has about 10-15 rides on her. She has not been pushed, but has come along nicely. She started quiet and should make someone a really nice mare that can perform in a variety of disciplines and then turn into a nice broodmare that should throw color.
