Notes: Smoking Blue Whiz is out of John Amabile's great stallion Colonels Smart Spook, shown by Jordan Larson. He is built well, good minded, and a quick learner. This colt is quiet and has been started by Zane Haverty and has the Haverty Ranch colt program. He has about 10 rides on him and lopez around nicely. He should make a really nice prospect. He is a very sweet colt with lots of talent. He is an open book just waiting for you to write his story.
